

Dear Wang,

Thank you so much for your letter. You are a very mature young man with a big heart!!! We are so thankful we are able to help you out!!! We don't need a thank you, but it sure does mean a lot to hear how grateful you are for our help. And I'm sure you WILL pay it forward someday.

We are so happy you are studying hard, and we definitely will be praying you do fulfill those dreams of yours!! I know your grandparents are very proud of you as we are. May HE bless you and keep you safe!!

In HIM,
