Statement of Faith

GOD

There is only one God. He has eternally existed in relationship with Himself as one substance in three unique persons: The Father, Jesus the Son and the Holy Spirit. He is the Creator of all things.

JESUS

Jesus was born of a virgin and is fully God and fully human. He is the only plan for bringing people back into a right relationship with God. He lived a perfect life, died, and was raised to life on the third day.

HOLY SPIRIT

God's Holy Spirit lives inside every Christ-follower and assures us of our relationship with God. He guides believers into all truth, convicts people of their sin, and much more.

THE BIBLE

The Bible is true, authoritative, and sufficient.

HUMANITY

God created humans in His image to have fellowship with Him. Yet, all willfully sin and are separated from God. As a result, no one can attain a right relationship with God through one's effort.

UNITY

God desires for his people to be united in faith, love, and purpose. Unity and partnership in God's Kingdom should be sought and protected when at all possible.

SALVATION

Salvation is the gift of God found only through faith in Jesus Christ. All people are invited to accept this by confessing their sin, trusting Jesus as their Lord and following Jesus' example of water baptism.

ETERNITY

All humans are created to exist forever. We will exist either eternally separated from God by sin or in union with God through forgiveness and salvation. To be eternally separated from God is Hell. To be eternally in union with Him is Heaven.
